

Mounting

We can mount and vacuum bond any print onto Foamex boards, which are available in 3 & 5mm. Foamex is a rigid and hard wearing PVC material, that is compressed and very strong, yet lightweight! It is also suitable for outdoor use. (10mm also available to special order only).

Please note: All prices below INCLUDE the print.

SIZE	3mm FOAMEX	5mm FOAMEX
7" x 5"	£9.95	£13.95
