

## Bulk Scanning

Everybody has old photos and slides piled away somewhere collecting dust and fading as the years pass! Before they are gone forever, why not safeguard your precious family memories by getting them digitised. Our team of experts will scan your photos allowing you to create new prints, photo books, or even canvases from the digital scans, which can even be shared with family members and friends around the world...

#### Important Notes:

We can scan from wallet size photos (2"x3" approx) up to A4, however other sizes are still possible, using our flatbed scanners.

All photos must be reasonably clean, unmounted with no glue, tape, staples, clips or blutac on them.

All photos will be rotated to the correct orientation and saved as jpeg files.

**300 DPI** is perfect for viewing on any computer. It is also ideal for uploading and sharing electronically on Social Media such as Facebook and Twitter.

**600 DPI** scans produce a higher definition image, allowing you to re-print including enlargements. Additionally, it is ideal for creating high quality archives for future use.

The following additional charges will incur above the listed rates (per photo):

Card Mounted Photos - £1.25  
Album Mounted Photos - £1.50
